IB Visual ART SL/HL
7411.I000.Y/7410.I000.Y

Length of course:	2 Years
Grade level:	11-12
Prerequisites or approval required:	Art I, Teacher Approval, participation in IB program

Short description of topics and/or key concepts covered in the course:

Students are required to work in their Investigation Workbook (IWB) noting all their discoveries, both intuitive and mediated including their thoughts and frustrations, their successes and failures. Students must complete 12 to 18 pieces by spring of their senior year when they host an IB art show for the community. (Students must have 7 pieces done by the end of the junior year to continue in the senior year.) Students submit photographs and descriptions of their work as well as a video or audio file describing their work to IB for examination.

Assessments to expect per 6-weeks:

The IWB will be assessed weekly. For each project, students must have a statement of intent, research, media experimentations, critique, and the studio piece. Workbooks are also graded on IB formatting expectations.

Average time required for homework, study, and/or practice per week:

Students develop their own schedule to complete assignments/experimentations. Unique projects may involve additional personal cost.

Summer reading/practice requirements:

Visit exhibitions, galleries or take an outside class in figure drawing, observation or sculpture class.
