# Parent Self-Serve

The screenshot shows a web browser window displaying the Austin ISD Parent Self-Serve portal. The browser's address bar shows the URL <https://my.austinisd.org/secure/SecureCloudAccessProfile/FinishLogin.jsp>. The page header includes the Austin ISD logo and the name Geoffrey Harter. A search icon (magnifying glass) is located in the top left corner of the page. A blue arrow points to this search icon. Below the header, there are two sections: 'Default' and 'Recent'. The 'Default' section contains three tiles: 'AISD Student Registration - Inscripción del Estudiante', 'PARENT SELF-SERVE Grades, Assignments, & Attendance', and 'My Training for Parents'. The 'Recent' section contains three tiles: 'PARENT SELF-SERVE Grades, Assignments, & Attendance', 'EVERYONE: 1 Device Consent', and 'AISD Student Registration - Inscripción del Estudiante'. At the bottom of the page, there is a navigation menu with links for Home, My Tiles, My Resources, MyAccount, MySchool, MyStudent, and MyStudent 2. The Windows taskbar at the bottom shows the Start button, several application icons (Internet Explorer, File Explorer, Chrome, Word, PowerPoint), and the system tray with the date and time (6:18 PM, 9/9/2017).

# Attendance

## Presented by Dorothy Salas

---

All absence notes from doctor, parent, etc. should be turned into attendance office within 2 days of absence ([clarisa.quinonez@austinisd.org](mailto:clarisa.quinonez@austinisd.org)). It is fine to email a note to Ms. Quinonez or even to scan a Dr. note and email that to her as well.

You can also send a note before school to let Ms. Quinonez know that you are picking up your child for a Dr. apt. later in the day

Making up student work when absent

- Student should check their Blend account
- It is student's responsibility to ask for missing work if it isn't in Blend
- If student is absent for 3+ days you can ask Counseling Secretary to ask teachers for missing work (but most work can be found in Blend)

# TX' 90% Attendance Rule

---

- Credit may not be given for a course (even when it has a passing grade) if student's attendance in the course was less than 90%
- Credit is given for AISD courses at end of each semester
- 90% attendance means no more than 3 or 4 absences per course per semester
  - For fall 2018, five or more absences = below 90% attendance
  - This is per course, not per day. It's possible to have 5 absences in 4<sup>th</sup> period but only 4 absences in 3<sup>rd</sup> period
- Excused absences that don't count towards this 90% attendance rule (and thus will not result in denied credit) are ...
  - Holy day – with parent note turned in explaining the absence is due to holy day
  - Absent to class but on an official school event (such as missed last class of the day as was on school bus traveling to AHS volleyball game vs. another high school)
  - Note from a medical provider for a medical appointment (but keep in mind that a 10am dentist appointment doesn't excuse being absent for the afternoon classes)
  - Of if student missed class but was with another AHS staff member (i.e. spent 2<sup>nd</sup> period with nurse, counselor, or in ISS for example)

# 90% Attendance Rule (continued)

---

- Excused Absences that do count against the 90% attendance rule and thus need to be made up
  - Ill or Sick with note from medical provider
    - This may seem counter-intuitive but only the time going to a medical provider appointment is excused. TX Educ. Agency sets this rule, not AISD.
  - Ill or sick with note from parent
  - Home school suspension
  - Unexcused absence (no parent note turned in and AHS doesn't know where student was that period)
  - Other absences to class that aren't either an official school trip or a holy day
- So why turn in an absence note if the 90% attendance rule still applies?
  - By turning in the note, parent is confirming they are aware of student's absence
  - If an attendance appeal occurs then AHS has evidence as to whether the student was truant (UNX) vs. student was out sick or another reason parent note cited. This can help with an attendance appeal.

# What to do if attendance is less than 90%

---

- Student should see Mrs. Dorothy Salas in the Registrar's office to receive their pink colored attendance form.
- This form will explain how many hours need to be made up for each course. For every absence beyond the allowed four per semester per course, student needs to make up one hour.
- Student uses this form to have teachers sign off on any tutoring they go to.
- Student can attend Saturday School session(s) to make up hours.
- Students can NOT make up hours prior to being below 90% attendance. (i.e. can't "bank" hours ahead of time because they know they will miss class time later on in the semester.
- February 19 is the deadline to make up hours for Fall Semester 2018 excessive absences.
- Attendance appeal
  - It's mandatory for any class absences resulting in lower than 75% attendance rate
  - May also be done for those absences between 75% and 90%

# What is Blend

---

- Blend is the middle/high school version of CANVAS
- CANVAS is used by many universities such as UT, Harvard, etc.
- Blend is sometimes called a learning management system or a very robust interactive teacher's webpage
- Students and parents have their own separate Blend accounts
- Blend has one calendar that can show all courses' deadlines in one location
- Assignments can often times be downloaded from Blend
- Uploading of papers may occur via Blend
- Class notes may be in Blend
- Etc, etc.

# Some grading procedures

---

“msg” in the gradebook generally indicates that when the teacher entered the grade, student didn’t turn it in. At this moment still wants student to turn in the assignment.

“pnd” means the assignment deadline has passed but the teacher hasn’t entered in grades yet for that assignment

Math courses have two tests each six weeks

- Students may replace a failing grade on one test by taking the End of Six Weeks exam by coming before/after school during last days of Six Weeks

# More Grading Procedures...

---

## Biology

- Notebooks (aka Bill Book in PAP Bio) is a major component to Biology class.
  - This organizational piece is equal to one test grade
- Exit Quizzes – Students may re-take these by coming to FIT or Tutoring
- Exams – Failed exams may be re-taken during the official re-take day
  - One week later are re-take exams in Regular Biology; End of Six Weeks exam for Pre-AP Biology

## World Geography

- Blended classes – some Geography classes have both Pre-AP & on-level students in same class
- Both groups receive same content instruction. Just Pre-AP assignments are more in depth and require more effort.
- Tests may be re-taken for up to a 70. Pre-AP students may not re-take quizzes.

## English

- Papers must be uploaded into Blend to prevent plagiarism
- English novels can be purchased .... <https://www.atxgive.org/ahsbooks2018>
- Please let your English teacher know if payment for books is a concern

# What is FIT

---

- Flexible Instructional Time
- Tuesday, Thursdays & Fridays (except when have a special bell schedule)
- Students may choose which FIT sessions they wish to attend
- Students sign up via the FIT/Learn portal in their Student Cloud accounts
- Also teachers may assign a FIT session to students
- Staff are supposed to have the week's FIT sessions loaded by 5pm previous Friday
- Students should read clearly the FIT session title
  - Ex – if you teacher teaches both Algebra and Geometry then sign up for the correct day
  - Ex – under most circumstances students should sign up with only their teachers' sessions

# TIPS for Success in Freshmen Year

---

Transition from doing the work to focusing on understanding the curriculum

Study vocabulary/class notes several times a week, not just before the test

Use technology

- Student's Blend Account
  - Calendar feature
  - Class notes
  - Weblinks
  - And much, much more
- Quizlet.com (it's also a phone app)
  - Useful for memorizing vocabulary and other concepts
- KhanAcademy.org
  - It's useful to watch a video lesson over the topic covered in class by teacher

# More Tips for Success

---

## Flexible Instructional Time (FIT)

- Can be used for quiz re-takes, work on group projects, tutoring, etc.

## Tutoring

- Teacher's tutoring times are on their webpages
- Anderson Tutorial Center
  - Tue/Wed until 6pm in the library
  - Tue/Wed late bus leaves for ten bus stops north of Anderson
  - There is also a late bus that leaves daily after 6p for East Austin (Ortega & Oak Springs)

Organize your Blend Calendar (can even put in extracurricular events into Blend Calendar)

Studying is a skill that may need to be developed. Success in high school is more than just doing the assignment. It's developing skills to study as exams become a larger portion of grades.

# How to find teachers' tutoring times

The screenshot shows a web browser window with the URL [www.andersononline.org/apps/staff/](http://www.andersononline.org/apps/staff/). The website features a yellow and blue header with navigation links: HOME, ABOUT US, ACADEMICS, STUDENTS, PARENTS, and CONTACT US. The Anderson High School logo is centered in the header. Below the header, the text "Anderson High School" is displayed in a large, white, serif font. A blue arrow points from the "CONTACT US" link to a dropdown menu that lists: Faculty & Staff, Administrators & Counselors, Counseling Center, Attendance Office, and Registrar's Office - Transcript Requests. Below the header, a "Staff" section is visible, featuring a search bar with the placeholder text "Type to search staff". Two staff members are listed: Martha Abundis, Sub Coordinator/AP's Secretary, and Curtis Alexander, Security. Each listing includes a small Anderson High School logo, a "Send Email" icon, and a phone number.

# How are grade averages calculated?

---

Semester Average is equally comprised of...

- 1<sup>st</sup> six weeks grade
- 2<sup>nd</sup> six weeks grade
- 3<sup>rd</sup> six weeks grade
- Final exam (the last four school days in December are 9a-1:10p)

The Year Long Average is comprised of

- Averaging the fall and spring semesters together
- If a student has a 67 for fall sem of a course then a failing grade and no credit goes on transcript. But if student receives a 73 or higher in spring sem in the same course then the year long average is 70+ and thus receives credit for both semesters

Denied Credit

- Passing average in course but has more than allowed # of absences in the semester
- Student needs to make up their hours via tutoring or Saturday School to earn this credit

# Grade Point Average

---

## GPA Points for Rank & Cumulative Weighted

	Regular	Honors/Pre-AP/AP/IB/Dual Credit
100	4.0	5.0
99	3.9	4.9
95	3.5	4.5
90	3.0	4.0
85	2.5	3.5
75	1.5	2.5
73	1.3	2.3
70	1.0	2.0
69 or below	0	0

# Grade Point Average

---

There are three GPA's

- Cumulative Weighted
  - Includes every high school course & is on transcript
- Cumulative Un-weighted
  - Includes every high school course
- Rank GPA (determines class rank for top 10%)
  - 8 highest (GPA points) semester grades in each subject
    - Social Studies
    - English/Language Arts
    - Mathematics
    - Science
  - 4 highest semester grades in LOTE (Language other than English – aka World Languages – aka Foreign Language)

# Class Rank

---

Anderson is a non-ranking HS

But by state law, Anderson HS has to report top 10% ranked students to TX Public Universities

- Top 10% students will have rank sent to these universities
- Top 10% students receive a letter with their rank

No other students will have a rank

Top 10% students receive their rank ...
