Short description of topics and/or key concepts covered in the course:

Theater 3-4 is a performance class that requires minimal extracurricular commitment. It's perfect for students that want to act in plays, but cannot commit to rehearsals after school.

This advanced acting class is on a two year rotation in order to allow students to take the class two years in a row without repeating the same shows.

Year "A" students will perform plays from the following genres: Classical Greek, Commedia Del Arte, Realism/Naturalism, and World Theater

Year "B" students will perform plays from the following genres: Shakespeare, Moliere/Restoration, Absurdist, and Contemporary

Assessments to expect per 6-weeks:

This is a performance-based class, therefore the assessments will generally be embedded in the rehearsal process and performances.

Approximate, average time required for homework, study, and/or practice per week:

Most play rehearsals will take place in class.
Final dress rehearsals and performances will take place after school during the week of each production. There will be 2 evening each semester that Theater 3-4 students must stay after school to rehearse and perform their class plays.

Summer reading/practice requirements:

None.
